

2023 Baldwin-Woodville Youth Football Program

The B-W Youth Football Program develops skills in running, catching, passing, ball handling, angling, blocking, all while maintaining a fun environment. Kids will be taught fundamentals of the game and safety in order to ensure a fun experience for all. We depend on parent volunteers for coaches and guidance for all or our players.

Flag Football- 1st and 2nd grade kids will play other 1st and 2nd grade kids. 3rd and 4th grade kids will play against other 3rd and 4th grade kids. The goal is to have 8-10 kids per team and 8 teams per age group.

5th & 6th Flag Football I have done an exhaustive search and talked with many coaches I respect around the state of Wisconsin and I have come to the conclusion that the best thing for our 5th & 6th grade kids and the best thing for our Football program is to play Flag Football during 5th & 6th grade. I believe this will lead to greater numbers of kids playing football in both the junior and senior high school years. I appreciate all the help we have received from parents helping on Thursday's over the last few years but I'm convinced this change will bolster participation and they will not be behind at all when they reach their high school years.
