Baldwin-Woodville Area

# ACHIEVEMENT

This priority area summarizes how this school's students performed on state assessments using a points-based proficiency system that gives partial credit for Basic test performance and extra credit for Advanced performance. The score is a multi-year average of English language arts and mathematics subscores.

#### **Priority Area Score**

### **Student Group Achievement, 2020-21 (for information only)**

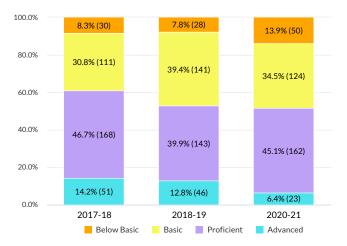

Group size is given in parentheses. Groups with fewer than 20 students are not displayed.

# GROWTH

This priority area measures year-to-year student progress on statewide tests. It uses a value-added model that seeks to control for circumstances beyond the influence of educators. A high value-added score means that on average students in the school are progressing more quickly than other, similar students. Growth is scored from 0 to 100 to match the other priority areas and is a conversion from the roughly 0 to 6 value-added score.

# **Student Group Value-Added (for information only)**

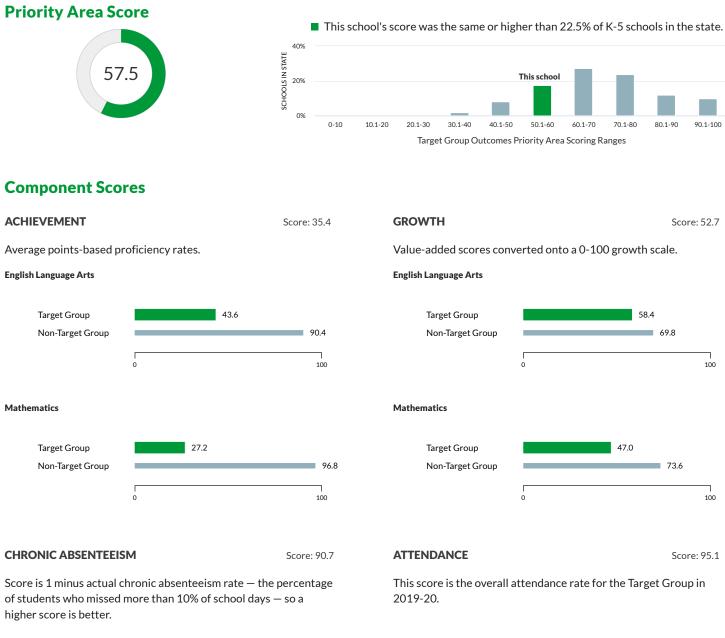

Value-added scores cover an approximately 0-6 range. Higher scores mean greater positive impact. A score of 3.0 is average. Group size is shown in parentheses. Groups with fewer than 20 students are not displayed. Shaded boxes indicate higher-than-average scores.

# **TARGET GROUP OUTCOMES**

This priority area examines outcomes for students with the lowest test scores — the Target Group. It is designed to promote equity by helping schools focus on learners who need the most support while also improving outcomes for all students. The priority area score combines component scores for achievement, growth, chronic absenteeism, and attendance or graduation rate. Data are not displayed when target groups have fewer than 20 students.

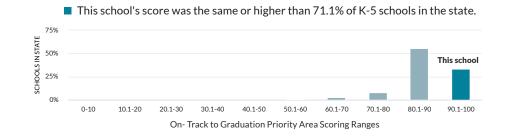

# **ON-TRACK TO GRADUATION**

This priority area indicates how successfully students are progressing toward completing their K-12 education. The score combines component scores for measures of student engagement and achievement.

### **Priority Area Score**

### **Component Scores**

#### CHRONIC ABSENTEEISM

Score: 94.6

Score: 72.5

Score is 1 minus actual chronic absenteeism rate — the percentage of students who missed more than 10% of school days — so a higher score is better.

#### SCHOOL-WIDE ATTENDANCE

Score: 95.1

This score is the overall attendance rate for the school in 2019-20.

#### **3RD GRADE ENGLISH LANGUAGE ARTS**

Average points-based proficiency rates.

#### 8TH GRADE MATHEMATICS

Score: NA

Average points-based proficiency rates.

**NO GRADE 8** 

# **ON-TRACK TO GRADUATION - ADDITIONAL INFORMATION**

This page provides additional detail about chronic absenteeism and graduation and is for information only.

### **Student Group Graduation Rates**

This table shows for each of two cohorts the percentage of students starting high school together who graduated by 2019-20. The four-year rate pertains to students who started high school four years earlier, and the seven-year rate pertains to students who started seven years earlier.

This school does not have a 12th grade
